## Re: Extension of Temporary Closure

---

To all our employees, guests, and partners,

As you know we closed on July 3<sup>rd</sup> as a result of management being made aware that two of our team members had tested positive for COVID-19. As a company, we have spent the last week making sure that our entire staff get tested for COVID-19 and present a negative result prior to returning to work. Given the recent increase in COVID -19 cases throughout Florida, and by nature more people getting tested, it is taking longer to get an appointment for our staff and ultimately this has caused a delay in obtaining the results of these tests.

Therefore, we will need to extend our temporary closure from Friday July 10<sup>th</sup> to Wednesday July 15<sup>th</sup>. These extra days will provide us with the time needed to obtain all the test results from our staff and will allow us to open back up with a proper amount of team members to operate the company in a safe manner.

Again, we made the decision to temporarily close with everyone's best interests in mind. We look forward to seeing everyone back with us on July 15<sup>th</sup>. Please continue to follow us at [www.MGPark.com](http://www.MGPark.com) for additional updates on tournaments, specials, and updated hours of operation. It is our sincere hope that everyone stays safe and we wish you and your families all the best.

Kindest regards,

Jeffrey O'Brien  
General Manager
